## WHO WE ARE

Public TVET Colleges form part of the Department of Higher Education & Training (DHET) together with public Universities, National Institutes for Higher Education, Trade Testing Centres, Skills Development Institute and Sector Education and Training Authorities (SETAs).

ORBIT College is one of 3 public TVET Colleges in the North West Province. The mandate of public TVET Colleges is to steadily increase the number of students enrolled and trained in priority and critical skills areas, putting TVET Colleges at the centre of skills development and more specifically the artisan development agenda of South Africa. This relates to equipping the unemployed,

(specifically youth who are Not in Education, not in Employment and Training i.e. NEETs) with the requisite skills base to overcome poverty and the economic challenge of unemployment.

The specific focus of public TVET Colleges is to address the skills shortages in SA, by offering relevant and responsive vocational and occupational programmes.

The College has a Central Office in Rustenburg with 3 learning delivery sites:

- Rustenburg Campus
- Brits Campus
- Mankwe Campus

## WHAT WE DO AND HOW WE DO IT?

A diverse range of accredited vocational and occupational programmes are offered at ORBIT College.

1. All programmes offered at the respective campuses are registered on the National Qualifications Framework (NQF) and are fully accredited by UMALUSI and QCTO or by the relevant SETAs
2. All National Certificate (Vocational) [NC(V)] Programmes are quality assured by UMALUSI (the ETQA)
3. Report 191 (N1-N3) programmes are quality assured by UMALUSI and Report 191 (N4-N6) programmes are quality assured by QCTO
4. All occupational programmes are quality assured by the relevant SETA from which the College has been granted approval to offer the programme. With the establishment of the QCTO the quality assurance of occupational and trade-related programmes are housed under a single Quality Assurance Body
5. ORBIT TVET College is ISO 9001:2015 compliant and is externally audited by SABS through annual surveillance audits and 3 year re-certification audits
6. Service delivery in the classroom and to clients in general is quality assured through the implementation of the Quality Management System (QMS) of the College

### WHY YOU SHOULD CHOOSE US?

Because @ ORBIT TVET COLLEGE we...

- Address the training needs of people from all walks of life
- Offer a diverse range of vocational and occupational programmes
- Believe in serving our community to enhance national economic growth
- Advocate the principle of life-long learning
- Offer affordable quality tuition
- Adopt a holistic approach to the development of our students
- Provide students with the necessary practical learning environment to master the skills they acquire

## B1.1 CENTRAL OFFICE

The Central Office is situated in Rustenburg, hosting Senior Management, Academic and Student Support Services, Finance, Supply Chain as well as Corporate Services Units. The Central Office is the administration and management hub of ORBIT TVET College from where support to all delivery sites from the different units is initiated and implemented.

## B1.2 MANKWE CAMPUS

Situated just a few kilometres from Sun International's Sun City, Mankwe Campus hosts a wide range of student facilities including student accommodation and sporting grounds. A magnificent simulated workplace environment for Tourism and Hospitality students is a unique feature of the Mankwe Campus. The Campus boasts two unique simulated guesthouse facilities, which are serviced and managed by the Hospitality and Tourism students. The public can book these self-catering facilities at very affordable prices and enjoy a relaxing stay in a tranquil environment. The Tourism and Hospitality Training Centre consisting of conference facilities, and the restaurant expose students to real-life work experience while completing their studies

Mankwe Campus also offers Automotive Repair and Maintenance, as well as Transport and Logistics as niche programmes and boasts a state-of-the-art Samsung Engineering and Electronics Academy. In addition, a number of relevant artisan development programmes are offered with the campus being awarded a Centre of Specialisation in Diesel Trade.

## B1.3 RUSTENBURG CAMPUS

This campus is situated in an urban area surrounded by large mining operations. Unique aspects of the Rustenburg Campus include the Jewellery Design and Manufacture Training Centre next to *The Platinum Incubator* (TPI) where students are assisted in getting their own jewellery design and trade businesses off the ground. The Rustenburg Campus is the ICT training hub of ORBIT College and offers programmes in Hairdressing, Beauty Technology and Music.

Rustenburg Campus is the proud host of the Centre for Entrepreneurship. The purpose of this Centre is to provide Generic Enterprise Development, Intervention and Incubation services to ORBIT TVET College graduates and members from the community. In addition to the above, Rustenburg Campus serves the local Mining Industry by offering a variety of relevant artisan development programmes.

## B1.4 BRITS CAMPUS

Brits Campus is situated in a semi-urban area, surrounded by the mining sector, businesses and industries and is the only institution in the Madibeng area offering Engineering-related studies in the Civil Engineering and Building Construction as well as the Electrical Engineering. Brits Campus was awarded a Centre of Specialisation in Electrical Trade. A variety of relevant artisan development programmes are also offered at Brits Campus

The NQF is designed to contribute to the full personal development of each learner and the social and economic development of the nation at large.

# D1 NATIONAL CERTIFICATE (VOCATIONAL) NQF LEVEL 2 - 4

## WHAT IS THE NATIONAL CERTIFICATE (VOCATIONAL) [NC(V)] QUALIFICATION?

The NC(V) is the vocational programme offered at Level 2-4 of the National Qualifications Framework (NQF) and is offered by all public TVET Colleges countrywide. The qualification is intended to directly address the priority skills demands of the modern South African economy.

The NC(V) Qualification is designed to provide both theory and practice, thus granting students an opportunity to gain work experience during their period of study. Practical experience may be gained in either a simulated or real workshop environment.

## WHICH NC(V) PROGRAMMES ARE OFFERED BY ORBIT COLLEGE?

### Engineering-related & ICT Field:

- Engineering and Related Design (Fitting and Turning OR Fabrication OR Automotive Repair and Maintenance)
- Electrical Infrastructure Construction
- Civil Engineering and Building Construction (Carpentry & Roof Work OR Masonry)
- Information Communication Technology and Computer Science

### Business-related Field:

- Management
- Finance, Economics and Accounting
- Office Administration

### Services-related Field:

- Tourism
- Hospitality (Accommodation, Events and Catering Services)
- Transport and Logistics

## PRE-VOCATIONAL LEARNING PROGRAMME (PVL P)

This programme is designed to assist candidates who do not meet the minimum APS score required for entry into the NC(V) Programmes. Candidates are referred to study PVL P in order to improve their subject achievement levels. The period of completion is one year. The programme consists of the following subjects:

- English
- Mathematics
- Science
- Life Skills (including Technology)

## CURRICULUM

Each NC(V) Qualification has a total of 7 SUBJECTS per NQF Level

Three of these subjects are called FUNDAMENTAL SUBJECTS, i.e. they are common for all learning fields and are COMPULSORY. The Fundamental Subjects are:

- Life Orientation
- English 1<sup>st</sup> Additional Language
- Mathematics (Engineering & ICT fields) OR Mathematical Literacy (Business & Services fields)

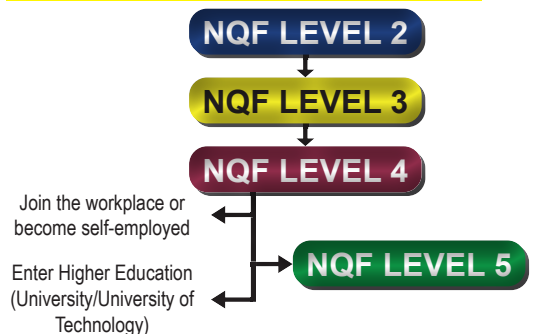

**Umalusi recognises the credit transfer between the NSC and the NC(V) in the following subjects:**

- English Home Language or FAL (passed at 40% and above)
- Mathematics (passed at 30% and above)
- Mathematical Literacy (passed at 30% and above)
- Physical Science (passed at 50% and above)

It is important to note that this concession applies only to the National Senior Certificate (NSC) and NOT to its predecessor, the Senior Certificate (SC)

The other four subjects per NQF level are called VOCATIONAL SUBJECTS and these are aimed at preparing students for the world of work within the field of their choice. A specialisation vocational subject (Elective) forms part of the 4 vocational subjects in some qualifications, allowing a student to specialise in a specific sub-field.

## CAREER PATHING

## NATIONAL SENIOR CERTIFICATE (GRADE 12)

NQF LEVEL  
4

## NATIONAL CERTIFICATE (VOCATIONAL)

The National Senior Certificate and the National Certificate (Vocational) are registered on the same NQF Level (NQF L4), but serve different purposes

### PURPOSE OF QUALIFICATION

### WHAT ARE THE PASS REQUIREMENTS FOR NC(V) NQF LEVEL 2 – 4

In order to progress to the next NQF Level students have to pass all SEVEN subjects. Once all 21 subjects have been passed successfully the NC(V) Qualification is obtained.

**The pass rate requirement for the four vocational subjects is 50% per subject**

The pass requirement for the fundamental subjects is as follows:

- Life Orientation 40%
- English 1st Additional Language 40%
- Mathematics/Mathematical Literacy 30%

Only one fundamental subject may be condoned for a maximum of 5%. No condonement is allowed for Vocational subjects. (T's & C's apply)

Should the student fail, he/she may be required to repeat the failed subject to obtain valid Internal Continuous Assessment (ICASS) marks.

### HOW ARE ASSESSMENTS AND EXAMINATIONS CONDUCTED FOR THE NC(V) QUALIFICATION?

The final pass mark is compiled by ICASS, Integrated Summative Assessment (ISAT) and External Examinations marks.

Internal Assessment is conducted on a continuous basis while the External Examination is written in November every year. The practical assessment is conducted during the year in one sitting during September/October.

### INTERNAL CONTINUOUS ASSESSMENT (ICASS)

The Internal Assessment comprises the following:

- 6 Assessment tasks consisting of 3 written tests, assignments and research/practical projects
- 1 Internal Examination

All of the above are contained in a Portfolio of Evidence (PoE) which counts as follows towards the final pass mark:

- Fundamental Subjects : 25% of the final mark
- Vocational Subjects : 50% of the final mark

### INTERNAL SUMMATIVE ASSESSMENT (ISAT)

The internal assessment comprises:

- One practical assessment for the three core subjects
- One practical assessment for the elective subject

### EXTERNAL EXAMINATION

A National External Examination is set by the Directorate: Examinations & Assessment of the DHET. The same examination paper for a particular subject is written by all students on the same day. This sets national standards for assessments and achievement.

The External Examination counts as follows towards the final pass mark:

#### Fundamental Subjects

Integrated Continuous Assessment (ICASS) POE: 25% + National Examination: 75% = Pass Mark

#### Vocational Subjects

National Examination: Theory 70% + Integrated Summative Assessment Tasks (ISAT): Practical: 30% + (ICASS) POE: 50% = Pass Mark

### CAN I JOIN A HIGHER EDUCATIONAL INSTITUTION (HEI) HAVING OBTAINED AN NC(V) QUALIFICATION?

Specific requirements must be met in accordance with the Government Gazette no. 32745 for portability into Higher Education for specific NC(V) programmes:

#### Guidelines for admission to undergraduate programmes:

The table below explains what you will need to achieve in order to meet the minimum statutory requirements for each type of qualification. It is important to note that the table below refers to the minimum requirements

QUALIFICATION	MINIMUM ENTRY REQUIREMENTS
HIGHER CERTIFICATE	<ul style="list-style-type: none"> <li>• Must meet NC(V) level 4 statutory requirements</li> <li>• 40% in either home language or first additional language but one must be LOTL</li> <li>• 30% in either Maths or Maths Literacy</li> <li>• 40% in Life Orientation</li> <li>• 50% in the four other vocational subjects</li> <li>• Submit a record of evidence for any subject failed</li> </ul>
DIPLOMA	<ul style="list-style-type: none"> <li>• Must meet NC(V) level 4 statutory requirements</li> <li>• 50% in three fundamental subjects including LOTL</li> <li>• 60% in three compulsory vocational modules</li> </ul>
BACHELOR'S DEGREE	<ul style="list-style-type: none"> <li>• Must meet NC(V) level 4 statutory requirements</li> <li>• 60% in three fundamental subjects including LOTL</li> <li>• 70% in four compulsory vocational modules</li> </ul>

#### Additional requirements:

- Applicants will only be considered for similar qualifications
- Programme specific subjects requirements must be met

Learners who have completed a Grade 12 Certificate with a minimum of a Higher Certificate achievement may consider studying further at a TVET College for a National Diploma. The Report 191 (NATED) N4-N6 Programmes, also known as ALTERNATIVE POST-SCHOOL PROGRAMMES, are offered in Engineering, Business, Performing Arts, Utility and Educational Studies. To complete the qualification, the student must complete the required 2000 working hours in the relevant field of study.

The Report 191 (NATED) N1-N3 Programmes in Engineering Studies are offered to those who wish to study towards an apprenticeship to become an artisan in the Civil, Mechanical, Automotive and Electrical career fields. After completion of a minimum of an N2 (with four relevant subjects), successful candidates who are not yet employed, may apply to SETA and employers for possible selection into apprenticeship.

## WHICH REPORT 191 PROGRAMMES ARE OFFERED BY ORBIT TVET COLLEGE?

### Engineering Studies N1-N3:

- Mechanical
- Electrical
- Automotive

### Business Studies N4-N6:

- Human Resource Management
- Financial Management
- Management Assistant
- Business Management

### Services/Utility Studies N4-N6:

## WHO MAY ENROL FOR THE REPORT 191 (NATED) PROGRAMMES?

### N1-N3 ENGINEERING PROGRAMMES / ARTISAN DEVELOPMENT PROGRAMMES

- Access to these programmes is only for those who wish to pursue an artisan pathway
- Candidates must preferably have a Grade 12 (NSC) with Mathematics and Physical Science, NOT Mathematical Literacy
- New students must enrol for all 4 subjects in the particular field, of which Mathematics is mandatory
- After completing N2, students must be placed at an employer for work experience for a period of 2 years in preparation for the trade test
- **The number of enrolments in these programme is subject to the approved DHET prescripts and targets**

### N4-N6 PROGRAMMES / ALTERNATIVE POST-MATRIC PROGRAMMES

- Candidates must have a Grade 12 (NSC)
- Enrolment in the N4 – N6 Engineering Programmes is subject to candidates having passed the relevant school subjects
- New students must enrol for all 4 subjects in the particular field
- **The number of enrolments in these programmes is subject to the approved DHET prescripts and targets**
- Students who enrol for N4 – N6 Programmes must comply with the required number of working hours in the relevant field of study before a National N Diploma will be issued (18 months / 2000 hours for semester programmes and 24 months / 2670 hours for trimester programmes)

## F3.1

## ARTISAN DEVELOPMENT REMAINS A PRIORITY

Research conducted by the RDHET projected that a significant number of artisans will be needed by 2030 due to a shortage of artisans in the South African Labour Market. Addressing this projected shortfall of artisans has become a National priority.

The Medium Term Strategic Framework for 2014 – 2020,

approved by Cabinet, has brought forward the National Development Plan target of 30 000 qualified artisans per annum by 2030.

The aim of this campaign is to advocate apprentices to the young and to encourage employers to take on apprentices at an increased rate.

In order to implement the National Artisan Development Process in the TVET College system, a formal Memorandum of Understanding has been signed between the DHET and each of the fifty public TVET Colleges in the country to establish a Provincial Artisan Development Committee (PADC) in each province.

## WHAT IS AN ARTISAN?

An artisan is a skilled, well-trained and tested individual who is qualified in a specific trade, e.g. Bricklayer, Electrician, Carpenter etc. An artisan crafts, maintains and repairs items that may be functional or decorative. Artisan trades extend beyond the scope of the Engineering field – gold smiths, hairdressers and beauticians are also regarded as artisans.

## ARTISAN DEVELOPMENT ROUTES AT ORBIT TVET COLLEGE

The following routes are available at ORBIT TVET College to attain an artisanship:

**Access to Trade Test (Non-contracted learners)**

- N2 Certificate with trade theory and 3 years relevant work experience
- Technical trade theory programs quality-assured by a SETA and a minimum of 3 years relevant work experience (NQF Level 3)
- Relevant National Certificate (Vocational) Level 3 Engineering qualification and 3 years relevant work experience
- Relevant National Certificate (Vocational) Level 4 Engineering qualification and 18 months relevant work experience
- Technical Grade 12 with Mathematics, Engineering Science and related trade theory subject and 3 years relevant work experience
- Grade 9 and a minimum of 4 years relevant work experience
- Relevant (directly related to the trade theory subjects) N6 Certificate or National Technical Diploma (S,T or N stream.) and 18 months relevant work experience

## QUALITY ASSURANCE OF ARTISAN DEVELOPMENT

Artisan Development Programmes in South Africa are assessed and moderated by NAMB (the National Artisan Moderation Body) as follows:

- Coordination of Artisan Development in SA
- Monitoring the performance of Accredited Trade Test Centres
- Moderation of Artisan Trade Tests
- Recording Artisan Achievements
- Recommending certification of Artisans to the QCTO
- Development, maintenance and application of a national data bank of assessment instruments for assessment and moderation of Artisan Trade Tests

Quality assurance of Artisan Development Programmes is done by the Quality Council for Trade and Occupational Programmes (QCTO). This body ensures the availability, relevance and quality of Occupational Qualifications to meet the needs of industry. It also ensures that fit-for-purpose qualifications are registered to respond to the needs of the labour market.

*In terms of the quality assurance of Report 191 NATED Programmes a transitional measure is currently in place that allows UMALUSI to quality-assure N1-N3 Report 191 Programmes and QCTO to quality-assure the N4-N6 Report 191 Programmes.*

## F3.2

## CENTRES OF SPECIALISATION

**Centres of Specialisation** is a national programme aimed at producing:

- A skilled and capable workforce to support inclusive economic growth
- Increased availability of intermediate-level technical skills
- Increased delivery of qualified artisan in 13 priority trades

The Centres of Specialisation are departments within the public TVET College Campuses dedicated to artisan development training in partnership with employers. These centres strive to produce successful quality artisans in one or more of the priority trades.

CoS programmes ensure a closer working relationship with industry, training centres and the Post School and Training (PSET) Sector

The curriculum offered consists of occupational qualifications designed by industry, for industry and registered with the Quality Council for Trades and Occupations (QCTO)

#### ORBIT TVET College boasts two Centres of Specialisation

#### BRITS CAMPUS – ELECTRICIAN TRADE

ORBIT College, in partnership with HWSETA, MQA, EWSETA, Affrox, Samancor, Tharisa Mining, TNJ Projects and the Department of Public Works is currently training thirty (30) employees to qualify as artisans in Electrical Trade.

#### MANKWE CAMPUS – DIESEL MECHANIC TRADE

ORBIT College in partnership with HWSETA, Baloyi Master Trucks, Ditsibi, Garage Mechanics, Tlhabane Mechanics, Glencore, Tharisa Mining, Bell Equipment and Necsca is currently training thirty (30) employees to qualify as artisans in Diesel Mechanic Trade.

#### How Does it Work?

Dual system apprenticeship that combine

- Technical education at a TVET College
- Simulated practical training
- Lots of authentic work experience in a single integrated learning programme
- Improved capacity of public TVET Colleges to train in skills in demand by industry

**...with employers in the drivers' seat!**

### 1. About the Centre

**Target market:** Enrolled College students, graduates & communities in the vicinity of our 3 campuses

**Aim:** Offering Entrepreneurship Training aimed at educating and enticing students who are not absorbed by the labour market or who are interested in entrepreneurship. Providing them with entrepreneurship opportunities so that they can create jobs for themselves and others  
We offer business registration services with CIPC

### 2. Service Offerings

Non-financial business support services which include:

- General business management training, customised per client's need
- Incubation programme for 12-18 months
- Mentoring & coaching
- Community Entrepreneurship information sharing-session
- Assistance with business compliance issues (Sector specific)

### 3. Automotive Incubation Programme - Mankwe Campus

**Target market:** Aspiring student entrepreneurs who are studying or have studied mechanical engineering or related studies. Students go through the incubation programme with the sole objective of starting business in the Automotive Sector

**Duration:** 18 months

## WHAT ARE OCCUPATIONAL LEARNING PROGRAMMES?

Occupational Learning Programmes include Apprenticeships, Learnerships and Skills Programmes. The focus of these programmes is geared towards preparing students for specific skills within a specific working environment related to a specific trade.

Occupational programmes are based on legally binding agreements between an employer, a student and a training provider. It is designed to ensure the quality of the training and to protect the interests of each individual party.

In order to become qualified, students must be assessed against unit standards registered with SAQA.

Occupational Learning Programmes are offered at ORBIT TVET College as either FULL QUALIFICATIONS or as ACCREDITED SKILLS PROGRAMMES.

**LEARNERSHIPS** that are offered by the College combines theory at the College or Training Centre with relevant practice on-the-job.

**SKILLS PROGRAMMES** are unit-standard-based programmes that are demand-driven as determined by community needs. Such skills programmes offered by ORBIT TVET College are units standards extracted from formal full qualifications registered with SAQA for which the College obtained approval from the relevant SETA or Accredited Body to offer the programme.

## WHICH OCCUPATIONAL PROGRAMMES ARE OFFERED BY ORBIT TVET COLLEGE?

- Hairdressing NQF Level 2-4 (Services SETA)

Trimester	R967.00	R2 450.00	R11 000.00	(Mankwe; Peri-Urban) R6 300.00 (Brits & Rustenburg; Urban) R8 400.00

**NO LATE SUBMISSIONS WILL BE ACCEPTED AFTER THE APPROVED CLOSING DATE**

**NB: Rules and guidelines on bursaries are available online via our website [www.orbitcollege.co.za](http://www.orbitcollege.co.za) and Facebook page!**

## I2 2020 NSFAS GUIDELINES ON AWARDING OF ALLOWANCES

## AWARDING OF ALLOWANCES

1. All NC(V) and Report 191 students are eligible for NSFAS bursaries provided they are registered for at least 5 NC(V) and 3 Report 191 subjects at the same level respectively.
2. All allowances have been increased at the CPI rate of 5% for 2020 except for College residence.
3. The standardised amounts for allowance are the only amounts that will be awarded and will not be reduced or exceeded.
4. Students who do not have contact classes will NOT be considered for allowances.
5. Colleges will not be permitted to change allowance types submitted within a particular academic year as these awards are based on supporting documentation.
6. The change of an allowance type will only be permitted in exceptional circumstances / change in living conditions.
7. Any allowance change requests must be submitted to the DHET for approval prior to implementation by NSFAS.

## TRAVEL ALLOWANCE

8. The standard rate for transport allowance for students residing fewer than 40km from the College is R7 350.00 per annum, i.e. 0km and beyond but up to 39.9km.
9. To qualify for travel allowances, applicants must submit proof of home address.

## ACCOMODATION ALLOWANCE

10. Students must reside more than 40km from the College to qualify for accommodation allowances, i.e. 40km and beyond.
11. To qualify for accommodation allowances applicants must submit proof of home address and the rental agreement.

**Students who resides more than 40km from the College but who fail to submit a rental agreement before closing date will be awarded the travel allowance and not the accommodation allowance.**

- ***The attendance record of all qualifying students will be taken into consideration when disbursing allowances on a monthly basis. All bursary beneficiaries must maintain the monthly 80% class attendance for all the subjects registered***
- ***The first tranche of allowances will be paid in advance, i.e. it will not take into account the monthly 80% minimum class attendance***
- ***In circumstances where attendance is compromised by the College, NSFAS and or Departmental inefficiencies, compliance to 80% minimum class attendance will not apply***

***The funds that would have accumulated from the allowances as a result of students failing to comply with the requirements of 80% minimum class attendance or dropping out of the College, will be returned to NSFAS at the end of the academic year***

**12.2. COLLEGE BURSARY**

**B**ursaries will be awarded according to the approved College Bursary Administration, Rules and Guidelines as outlined in the Student Support Policy

**1. Who is eligible to apply for the College Bursary Scheme?**

- College bursaries are available to compliant students, pending the recommendations of the Financial Aid Committee of the College
- The basic requirements of the NSFAS Bursary Scheme apply, namely proven good academic performance and proven financial need

**2. Application period to apply for the Bursary Scheme**

- Details regarding bursary application periods and availability of application forms can be obtained from Student Support Officials at the respective campuses

**GENERAL INFORMATION RE BURSARIES****3. Please note:**

- Both the NSFAS and College bursaries are 100% non-refundable bursaries
- No applicants will be guaranteed bursaries since the awarding is subject to bursary administration processes and the availability of funds
- Always adhere to closing dates as late applications or late submissions of required documents will result in forfeiture of financial assistance
- Incomplete applications will not be accepted

**LEGAL DOCUMENTS REQUIRED FOR BURSARY APPLICATIONS**

**C**ertified copies (not older than three months) by the South African Police Services (SAPS) of the following documents need to accompany the completed application form:
